

BELL Ambulance is a progressive, client-oriented company devoted to providing high quality emergency and non-emergency medical services. BELL Ambulance has been in operation since 1977 and has grown to be the largest provider of ambulance service in the State of Wisconsin, responding to more than 75,000 ambulance calls annually.

In this role you will perform duties associated with providing high-level, fast-paced service to the company's facilities.

How you will contribute:

- Maintain cleanliness of the station interior by completing custodial activities to include; cleaning of crew quarters/restrooms, maintenance of all drains & drain troughs and painting as needed.
- Maintain cleanliness of all station garages to include deep cleanings and weekly maintenance.
- Maintenance of station exterior to include; light landscaping, pressure washing of buildings, light snow removal, entrances, powered gates and generator, including salting as necessary.
- Maintain cleanliness of equipment and organization of equipment used; including tools used and vehicle driven.
- Miscellaneous duties to include; lubrication of garage door tracks/rollers, maintenance of dryer vents, assisting with set up/take down of special event equipment.
- Other tasks as assigned.

What you will need to be successful:

- Must be organized and able to work independently.
- An ability to have a flexible schedule during seasonal needs.
- Demonstrate the ability to use to operate necessary computer programs for work orders, service records and supplies.
- Must be able to push, pull, move and/or lift in a safe manner, a minimum of 100 pounds to a minimum height of four feet.
- Work requires continual attention to detail in establishing priorities and meeting deadlines.
- Must be able to work in a fast-paced environment with demonstrated ability to juggle multiple competing tasks and demands.

- High school diploma or GED; one or more years of experience or training; or equivalent combination of education and experience.
